

POSITIVE ROLE MODELS (lyrics)

Performed by Prophet Malachi, Joe Bligga and Trooth Boaller

VERSE 2

Remind a friend to tell a friend to put a mask on
Prevention is cure but put it in action
Act wiser
Always use sanitizer
Maintain the social distance
You gonn' die bruh
I believe together we can fight COVID-19

If we take prevention measures
And always stay clean
Like a doctor's coat
Wash your hands with soap
But the question is

CHORUS

I do wanna know... if you encourage
Community members serving as role
models
If you take care
I do wanna know
What you doing to prevent the spread of
Coronavirus into our communities
I do wanna know
What you doing about It?
Are you telling your neighbors and
family about it?
I do wanna know
What you doing to prevent the spread of
Coronavirus into our communities
I do wanna know

What you doing about it?

Are you telling your neighbors and family about it?
I do wanna know

VERSE 3

When you notice that you are feeling A fever and cold it might not be flu You better get yourself checked up soon Get up (X 4) Just get yourself tested in no time

CHORUS

I do wanna know... if you encourage Community members serving as role models If you take care I do wanna know What you doing to prevent the spread of Coronavirus into our communities I do wanna know What you doing about It? Are you telling your neighbors and family about it? I do wanna know What you doing to prevent the spread of Coronavirus into our communities I do wanna know What you doing about it? Are you telling your neighbors and family about it? I do wanna know

POSITIVE ROLE MODELS (lyrics)

Performed by Prophet Malachi, Joe Bligga and Trooth Boaller

INTRO

As a spiritual leader It is my responsibility to educate my people About the dangers of the Coronavirus

CHORUS

I do wanna know... if you encourage Community members serving as role models If you take care I do wanna know What you doing to prevent the spread of Coronavirus into our communities I do wanna know What you doing about It? Are you telling your neighbors and family about it? I do wanna know

What you doing to prevent the spread of Coronavirus into our communities I do wanna know What you doing about it? Are you telling your neighbors and family about it?

VERSE 1

I do wanna know

I carry the message of hope, my goal In compassion and love we can fight this all Together we can fight, together we can win this all Wash hands, mask up that's the way to go Strong men are positive role models

I encourage family and friends To stay positive and hold our faith We can win with hope and love

CHORUS

I do wanna know

I do wanna know... if you encourage Community members serving as role models If you take care I do wanna know What you doing to prevent the spread of Coronavirus into our communities I do wanna know What you doing about It? Are you telling your neighbors and family about it? I do wanna know What you doing to prevent the spread of Coronavirus into our communities I do wanna know What you doing about it? Are you telling your neighbors and family about it?
