

STRONG MEN STAND TOGETHER

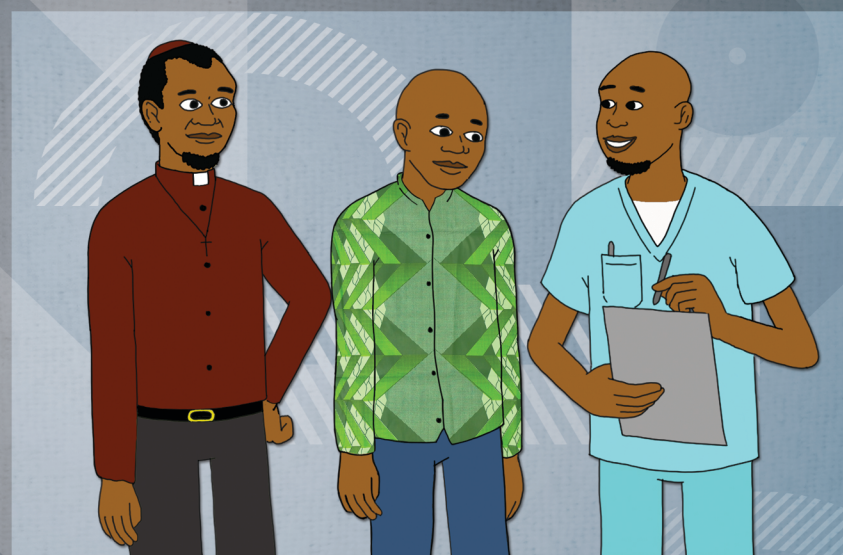

Support groups make it easier for men to test and stay on treatment!

We support each other to live well and stay strong!

Expert clients and HIV champions help people to receive all the right information. They can offer information and support about HIV-self testing too.

Our trained carers give hope through accompaniment and support groups for anyone living with HIV! Prayer together with ARV adherence protects everyone we love!

**STRONG MEN STAND TOGETHER IN HEALTH FOR
BODY AND SOUL, AS WE PURSUE OUR DREAMS FOR
OURSELVES, OUR FAMILIES, OUR CONGREGATION,
OUR NATION!**
